“ *This is still so hard to believe. I am not sure when it will all sink in. It's crazy to think that we have only known you less than two years, and the impact you have had on each of us. Thank you Tim for treating my son like a son. He always looked up to you and adored you. We were always guaranteed a good laugh with you....always! You will forever be missed and will always be remembered. Until we meet again! RIP my friend!!*
