“ Todd was not only my sweet cousin, but my loving " brother". I loved his quick and witty responses, and how loving and caring he was, just like his Dad; my Uncle Jack. Our childhood memories will help keep me with him ❤️

“ Condolences to Aunt Carol and family. Todd's smile and humor lit up the room. We shared many laughs, in particular at the Cabin in 1980. What a fantastic cousin! Todd will be missed.

“ I am so sad to hear this. My heart and prayers go to Todd's family. I  
would always enjoy talking to him on the phone for work knowing  
the conversations would always wander off to other things. He sent  
my pictures of this front yard showing me how he enjoyed his  
morning coffee watching the ships go thru the locks.

“ So sorry to learn of Todd's passing. He was a great teammate and a great sport during our Soo 40's hockey games. His dedication to taking care of his DTE customers like us was outstanding. I always enjoyed catching up with him wherever we'd meet around town. He always had a smile on his face and a friendly greeting. I had the pleasure of meeting his Dad many years ago too. May they be enjoying each other's company again. Rest in Peace Todd.
