“ Mom is here with me. She wants me to tell you that she loves and misses you every day. Mom's faith is strong, it is what keeps her going. You're loss and Wanda's is a loss that she can't endure without the help of the Creator. Thank you Jesus for taking care of my children. I love and miss you both. Love MOM

“ Dear Sister: It's almost five years now and I miss you as though it was just yesterday. I can only hope and pray that you are in a place that is peaceful and pain free. I love and miss you so much. You weren't just my older sister, you were my friend and secret keeper. Love and miss you and look forward to when we can be together again.

“ We will be thinking of you! May your faith and strength pull you through this time. Remember that God would not give you more than you can endure. Rely on that and it will lead you through. I remember her always having candy set out for the kids, being a kid, at the time, that was *THE BOMB!* I also remember her generosity and giving heart, even if it meant putting herself at a disadvantage. She was a loving soul. I look forward to seeing her again! Until then, Aunt Val, I love and will miss you!

“ Letting you know my prayers are with you as Valerie has passes onto her peaceful place. We went thru high school together and graduated in the great class of 70'. I can see her smile and feel her peace. Bless you as you grieve her transition to the creator. Love,

“ Dear Lorraine, P.J. & Family  
Please accept my sincere condolences at you loss of Val.  
Throughout her life, she remained a kind, gentle, and beautiful soul that touched whoever was lucking enough to know her.

*I can remeber the first grown up date she went on. The dress was blue chiffon, and her hair was done in a cascade of curls in back. She was beautiful! I will always remember her that way.*

*She's with her dad and sister, not to mention Granny Gert and Grampa John now. Rest assured she is in good company.*

*God bless you and help you through this sad time.*

*Sincerely, Vickye J.*
