

## Vicki Morris

August 27, 1951 - February 12, 2022

On Saturday February 12th we lost an amazing woman with the passing of Vicki S. Morris. Vicki was a fun-loving spitfire who was the matriarch of her family and household.

She was a mother to many children even though giving birth to just one. She worked as a waitress at the Harvest Table, AngGios and Freighters before retiring to take care of her own parents. She was selfless, loving and made sure those around her were laughing, full of good food and always had a story to tell or a shoulder to cry on.

She will be living on through her son's William "Joel" Carpenter, Raymond Miller and her daughters Kendra Marie Becker and Cierra Rae Carpenter. She also will be truly missed by her grandkids who she helped raise every day until her passing. Braylin Carlson Carpenter, Brielle Miller, Atreyu, Ares and Aurorah Carpenter just to name a few.

Services will be held in the spring and for information on how to help with arrangements and costs please don't be shy to contact her son Joel.
