“ Uncle Rick, Gwen, Ricky, and Stacy~ I cannot imagine what you all are going thru right now. She was an amazing woman and I so very luck to have had her in my life. She was always so kind and caring and whenever I seen her always had a smile on her face or was laughing. I know she is gone but she will not be forgotten. She will always be with you all. Whenever you see a flower move with no wind, or you feel like smiling for no reason that will be Aunt Vicki. Thinking of you all

“ Dear Rick;

My deepest sympathies and thoughts are with you and your family. To see her yearbook photo brought back so many memories of days past and thoughts that we as classmates and individuals just don't spend the time together we should have. Please know that I am thinking of you and yours.

Sincerely,

Otis
