“ Words are all I have and yet they cannot convey my deep and heartfelt sympathy at your loss. I wish I could be there at Ginny's memorial service, but find I will be unable to attend.

I have many memories of Ginny as do all of you. These memories will comfort you today and in the days to come.

“ Mrs. Collins was one of my favorite teacher in Brimley. I lived not too far from her here in Sault Ste. Marie so I saw her many times after I was out of school. Everytime she would see me, she would have a big smile and wave. I would walk by the motel many times and she was always a little busy body there. She will be sadly missed by everyone she knew. My prayers go out to her family.
