“ *I just have to say that caring for your mother was an absolute pleasure. I am sending prayers that you're finding comfort in knowing she has been reunited with family that has passed before her and the heavenly father, who she prayed to every single night. I truly believe, there are special places in heaven, for people like your mother (and grandma) whose faith was so strong. She would tell me every night, "I hope you have a great night, God bless you." It always made my heart smile. Also, thank you for the coffee maker- that was so kind of you all. We miss her. As your mom would say, God bless you. :)*

“ To family and friends of Ms. Virginia, My deepest sympathies to you all. I know words don't mean a whole lot right now, but you all have been in my thoughts and prayers since I heard of Ms. Virginia's passing. The days ahead won't be easy, but hold tight to the memories you have of times together, and keep your love for her safely tucked into your hearts. Be strong and know that others share your grief at this difficult time. Love, hugs and prayers to you and yours from me and mine!

“ Please accept our heartfelt condolences on the loss of your Mother. She was a cousin of my Father, Clarence Mansfield of Barbeau, MI. Linda and I went to school together at Bruce Twp school. What a hard working Mother you had...such pride should run through your veins. I am not sure just how our parents were cousins..unless it was through my Grandma Mary Doran's second husband, Bill Doran OR. my grandmas sister Katie. Would appreciate hearing from family to cement the connection.

“ Jennifer, my heart and prayers go out to you in the loss of your mother. Hold on to all the wonderful memories you have. I would like to say it will get better in time, but I still struggle today with that saying. Mothers hold such a special place in our hearts and I don't believe we ever get over losing them. Take care sweetie.

“ I will miss your smile and always remember that you loved to be surrounded by children. I assume their love and laughter was contagious because you always expressed both. Enjoy your stint in heaven with your family.
