

## Virginia Keim

December 17, 1932 - April 30, 2021

Virginia Marie Keim, age 88 of Brimley, MI, passed away April 30, 2021, following a long battle with Alzheimer's disease. She was born on December 17, 1932, in Highland Park, MI.

Virginia was born to the late Alvin and Theodocia (Ososkie) Nelson. She was preceded in death by her husband Roland Keim, whom she married on September 15, 1956, and her son Peter (Julie) Keim.

Virginia is survived by her children: Cynthia Wilson of Brimley, Mary (Mark) Karzon of Texas, Josef (Kathy) Keim of Texas, John Keim of Sault Ste. Marie, Paul (Karla) Keim of Texas, Kurt (Andrea) Keim of Florida, and Marianna (Paul) Ripple of Sault Ste. Marie. 22 grandchildren and 15 great-grandchildren will also miss her smiles and hugs.

Virginia was a loving, kind, gentle soul who concentrated her energies on family, faith, and community. She was very proud of her service in the Marine Corps (Korean conflict era), served Brimley Area Schools on the school board, worked with the senior program in Brimley providing meals and she volunteered with the Brimley Ambulance Corps. Mostly, though, she focused on people. Virginia always had a smile, a hug, guiding advice, or a meal for any in need, especially children. She will be missed by many but is home with the Lord and with her husband once again.

A mass followed by graveside service at Hillcrest Cemetery (on M-28, Brimley, MI) will be held on September 10, 2021, details to follow. Virginia and her husband, Roland, will both be interred together. In lieu of flowers, donations may be made to Hearthside Assisted Living in Sault Ste. Marie.

#### Services

“ *Growing up just down the road from Mr and Mrs Keim I have many good memories of them both. She was an amazing lady and will never be forgotten.*
