

## Wanda Mohr

March 5, 1940 - October 19, 2022

Wanda Lou Mohr, age 82, of Sugar Island, passed away on October 19, 2022. She was born in McCracken, KY on March 5, 1940.

The following are some of her interests after she moved to Sugar Island.

She met a trapper named Wilford who took her with him and they got a bobcat, which she had mounted.

Harold Belanger took her ice fishing and taught her how to jig a decoy and spear pike.

Wilford built an ice shanty for her which she fixed up and entered in an ice shanty contest. She won a power auger for First Place.

She was also a gardener and fixed up the yard. The Soo Garden club came over to have a meeting at our house.

One of her proudest projects was building the stone planter at the ferry to welcome visitors to the island.

She was in charge of the hospital flea market for several years.

She was on the library board.

She was an expert on edible mushrooms and knew where grape vines and apple trees were on the island.

One of her hobbies was called rug hooking, making rugs out of old woolen garments at the Alberta House. She then went to West Virginia to take advanced classes with her friend Joan. They were like two kids going to

camp! Her rugs were exceptional and were the envy of all the other "Hookers".

Wanda is survived by her husband of 37 years: Harold Mohr; nephew: Chris (Felicia) Thomas.

On November 20, 2022, from 8:30 to 11:45 AM, there will be a celebrant of her life at the Lions Brunch, Sugar Island Community Center.

“ Harold. I was looking at pictures I have that belonged to Gentry and looked up your names and ran across Wanda's obituary. I am so sorry to hear. I let Ryan know just now. He had no idea. He lives in Sacramento with his wife. Our sympathies.
