“ God bless my cousin Bill Boyne. 7 years my senior, he was always someone to whom I looked up and admired while growing up. Bill loved nature, and I'm happy he spent his latter years with his wife and stepchildren in God's country. RIP.

“ Bill graduated a year ahead of us at Marlette. I mostly remember him from basketball. In a small school like Marlette you know many of the other students in grades just ahead or just behind you. Bills's brother Mark, married Nancy Geister who is a niece of mine. On behalf of the Marlette Class of 1962, I just want to say we were saddened to hear about Bill and want his family to know that they are in our thoughts and prayers. May God watch over and comfort them always. Leon Westover

“ Bill will surely missed by many. On visits with him he'd talk about the times he and my Dad would go out ice fishing in Munuscong Bay. He had a special place in his heart for our two sons along with so many others. He had a special place in ours also. He was more like an Uncle than a cousin. Hugs and prayers to all.
