“ *I grew up on Mackinac and have fond memories of all the Bynoes. Katie was a beautiful person inside and out. She'll find all the love she was looking for now...in Gods arms. Rest in peace Katie.*

“ *Linda and I have known Katie for over ten years and we are blessed to have been her next door neighbor. The way Katie always checked in on Linda's father without even being asked before we moved up, was angel worthy. Bringing Hugo dinners, making sure he was ok, she was a very caring person and it meant so much to us. Dawson. Riley. McKenna and katilyn lost a mother that can't be replaced. Linda and I will always be there for them. God bless Katie and her whole family, we will miss her dearly.*

“ *Our deepest sympathy to the Bynoe family and the children of Katherine . Though we did not personally know Katie we are very close to her son Riley and have often heard very kind words about her through various people in the community. I did know Katie some during her college years at Suomi College where she studied nursing. She was a very caring compassionate loving person and it must have carried on throughout her life revealed in her children. I see a lot of the same traits in Riley. She is at peace now and her children will remember her through years of memories.*
