“ *The first thing I think of when I remember Bill is the big smile on his face and the twinkle in his eye as he thinks about his next joke or trick he's going to pull. Bill loved his family dearly and no need went unfulfilled. He will be sorely missed by all who knew him. Prayers and love to the entire family.*

“ *Wayne and Brenda:
Thinking of you in the passing of your brother.
Loosing a friend is a lose but loosing a family
member (brother) is even harder. Take care of
one another. We will see you in the spring.*
