“ *ANGEL Amongst Us They are all around us, guiding us every where we go. Sharing our hopes and dreams. Holding us when we're scared and wiping our tears when we're sad. Guiding us away from danger, wrapping their arms around us in our darkest moments. Carrying us when we're in pain and running alongside us when we are joyful. They surround us in everything we do. They are happy when we're when happy. Their sad when we're sad. They hurt when we hurt, and laugh when we laugh. They hold us when we're lonely and let us go when we soar. They are always with us and forever loving us..... We've gained another angel, and although our hearts are heavy, she is right there, right beside you, loving you, forever loving you as before. Wilma, you will be forever missed but may we find peace knowing you're an "ANGEL Amongst Us" Sherrel Cartwright*
